Anthony Deamer

66 Daphne Street, Grange, QLD 4051 | 0437 373 450 | Anthony.Deamer@hotmail.com

Career Objective

To expand my knowledge and experience in the software and wed development industry. I have worked in the trade and logistics industry for the last 7 years. Throughout that time I gained a lot of experience with working with computers and creating strong connections with cliental.

Education

YEAR 12 CERTIFICATE | 1999 | ALBANY CREEK STATE HIGH SCHOOL

DIPLOMA OF INTERNATIONAL FREIGHT FORWARDING | 2016 | CBFCA

CODING BOOTCAMP | 2021 | UNIVERSITY OF ADELAIDE- CURRENT

Skills & Abilities

COMPUTERS

· Microsoft Office – Excel, Word, Outlook
· Airline Operating System – HERMIES
· Milman Operating System
· Cyber Freight
· Git-Hub
· Visual Studio Code
· Git Bash

COMMUNICATION

· It has been a requirement of all of the positions I have held to have excellent communication skills as well as building and maintaining good working relationships with suppliers, customers and colleagues

MANAGEMENT

· Whilst working with Toll Dnata I covered the team leader's positon on a number of occasions. Motivating team members to consistently exceed expectation. There were from 5 to 10 people under me at one time per shift. As well as training staff and monitoring their progress at Wallace International.
